ABOUT US

STAR Porcelain Limited was established in January-2012 by STAR Industrial Holding an MNC having ceramics and porcelain factories in 8 countries .

Star Porcelain Limited has continuously invested in strengthening its design & product development capabilities and has established truly world-class manufacturing facilities.

A key contributor to Star Porcelain's growth has been the strong relationships forged with international customers and partners that have enabled the company to establish a global presence and bring value to a range of customers. This customer-focused approach coupled with Star Porcelain's core-values of technology-teamwork-trust has resulted in a track-record of high quality products, services and excellent execution ability.

Star Porcelain's vision is to create value by contributing to the success of its customers, by providing best-in-class porcelain tableware designs and manufacturing solutions in high technology areas.

“Better production, Better quality, Better pricing, Better timing and Better service”
